Dear Larry:

Congratulations!

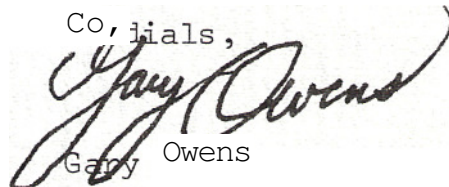

You've been nominated for the AIR PERSONALITY
OF THE YEAR AWARD in Billboard's Annual
Broadcasting Achievements.

Now, what we need from you is a 30 minute air-check
telescoped (radio talk for without music other than in
intros and outros) and send to: John Bayless, WSAI, N.W.
8th Street, Cincinnati, Ohio 45204 before June 30, 1973.

It will then go into the final judging phase
prior to the Billboard Convention in Los Angeles
starting August 15 at the Century Plaza Hotel.

Also, we need a bio from you telling how long
you've been in radio, how many ears you have,
do you sleep in the nude, and all the other
pertinent info necessary to have for the full
story on you.

I think you'll enjoy this year's Billboard confab
immensely what with Claude Hall doing his thing
with his pet wombat; Dave Moorhead tap dancing
during the National Anthem, and Joe Smith driving
over Myron Floren in his 1947 Nash.

Co. lials,

Gary Owens
